2. There are 18 private schools in Huntsville
3. Internet has played an important part in our daily life, and in fact, it brings us lots of advantages, and the first I want to mention is communication. The foremost target of Internet has always been the communication. Now thanks to the Internet, we can communicate in a fraction of second with a person who is sitting in the other part of the world. Today for better communication, we can avail the facilities of e-mail, we can chat for hours with our friends. With the help of such services, it has become very easy to establish a kind of global friendship where you can explore other cultures of different countries.

2-BILET

1. My ideal place is place **where** there is good weather all year round.
2. The Oliy Majlis consists of two chambers – the Legislative Chamber (the Lower Chamber) and the Senate (the Upper Chamber).
3. No doubt, everybody has his/her own habits. Some habits we have are good and some are bad. We are proud of good points but ashamed of the opposite. Honestly, it's easy to keep good habits but hard to get rid of bad ones. Sadly, some people even don't recognize their bad habits. In this world, nobody is perfect, but at least we should see what good habits we have as well as the bad. In my case, I'm pleased with my good habits like going to bed and getting up regularly, keeping every clean, washing hands after getting back from the outside, and so on. And to those bad habits, I know clearly and am trying to get rid of them like being lazy to do exercise, eating food at midnight, etc. However, among those habits, the best one is keeping reading every day and the worst one is lack of exercise.

3-BILET

1. A cook is a person, a cooker is a machine for cooking!
